TORI PEÑA

Department of Psychology — Stony Brook University
100 Nicholls Road, Stony Brook, NY 11794
tori.pena@stonybrook.edu https://ptori.github.io/famlab/ 1(516)306-6655

EDUCATION

Stony Brook University, Stony Brook, NY — May 2023
Advanced Graduate Certificate, Quantitative Methods
Doctor of Philosophy, Cognitive Science
Dissertation: *Social Influences on Collective Future Thinking: Testing the Robustness of the Collective Negativity Bias*
Thesis Advisor: Suparna Rajaram, Ph.D.

Stony Brook University, Stony Brook, NY — August 2020
Master of Arts, Cognitive Science
Masters Thesis: *How Social is Social Memory?: Isolating the Influences of Social versus Non-Social Cues on Recall*
Thesis Advisor: Suparna Rajaram, Ph.D.

SUNY Binghamton University, Binghamton, NY — May 2018
Bachelor of Science, Psychology and Biological Anthropology
Undergraduate Honors Thesis: *Adaptive Memory: Parent Processing Effect*
Thesis Advisor: Ralph R. Miller, Ph.D.

ACADEMIC POSITIONS

Research Fellow & Lecturer, Psychology, Stony Brook University, Stony Brook, NY, USA — August 2025 - Present

Postdoctoral Associate, Psychology, Stony Brook University, Stony Brook, NY, USA — June 2023 - August 2025
Advisors: Bonita London, Ph.D. & Suparna Rajaram, Ph.D.

IN PREPARATION MANUSCRIPTS

Under Revision After Invitation from Editor
Peña, T., DiMartino, S.,** Umanath, S. (2026). Older adults rely on the internet less than younger adults despite showing an internet fixation effect. Manuscript under revision after invitation from editor.
** *post-baccalaureate mentee*

Burchett, C.O., **Peña, T.**, London, B. (2026). Improving sense of belonging among historically underrepresented students in STEM: Empirical evidence for the role of identity safe cues. Manuscript under revision after invitation from editor.

Under Review
Peña, T.* & Soares, J.* (2026). Anticipating the cognitive pitfalls of generative artificial intelligence use: Lessons from cognitive science. Manuscript under review.
* ***joint first authors***

Peña, T.* & Soares, J.* (2026). Balancing technological panic and hype: Cognitive and ethical implications of genAI trust and reliance. Manuscript in preparation.
* ***joint first authors***

Rehbein, R., **Peña, T.**, Lobel, M. (2026). Vicarious coping: How we respond to others' suffering. Manuscript under review.

Zavala, D.V., Luchetti, M., **Peña, T.**, Milad, E., Miller, A.A., Karakose, S., Terraciano, T., Sutin, A.R. (2026). Exploring routine in daily life shows individuals tend to overestimate how routine their day will be. Manuscript under review.

In Preparation
Peña, T., Rajaram, S., Meade, M.L., Wei, Y. (2026). What makes social memory unique?: Identifying the influences of social, perceived social, and nonsocial sources on memory. Manuscript in preparation.

Peña, T. & Soares, J. (2026). AI-generated statements are more credible, but not memorable, than microblogs: Persistence of the mnemonic advantage for microblog information. Manuscript in preparation.

GRANTS AND EXTERNAL FUNDING

"Socially"-shared retrieval induced forgetting in human versus AI partners. Society of Applied Research in Memory and Cognition (SARMAC): Collaborative Grant ($2,000). Role: Co-PI (PIs: Julia Soares and Louis Klein), *Awarded Fall 2025.*

FELLOWSHIPS AND AWARDS

Women in Cognitive Science Networking Award for Junior Scientists, $1,000	Fall 2025
GSA Diversity Mentoring and Career Development Workshop Diversity Fellow Award, $1,500	Fall 2023
Stony Brook's President's Award to Distinguished Doctoral Students, $1,000	Spring 2023
Psychonomic Society's 2021 J. Frank Yates Award, $1,000	Fall 2021
SUNY GREAT Award, $5,000	Spring 2021
Endowed Award Fund for Cognitive Science, $979.20	Spring 2021
NSF Graduate Research Fellowship, $138,000	Spring 2020
Ford Foundation Predoctoral Fellowship - *Honorable Mention*	Spring 2020
SMEP Underrepresented Student Workshop Travel Award, $1,000	Spring 2020
Professional Development Fund, $300	Fall 2019

TALKS & CONFERENCE SYMPOSIA

Soares, J., Klein, L., **Peña, T.** (2027, June). 'Socially'-shared retrieval-induced forgetting in human versus AI partners. Talk submitted to the Society for Applied Research in Memory and Cognition Conference in Vancouver, Canada.

Peña, T., & Szpunar, K.K. (2027, June). Optimism for personal future thinking persists in collaborative dyads. Talk submitted to the Society for Applied Research in Memory and Cognition Conference in Vancouver, Canada.

Peña, T., & Soares, J. (2026, November). What is genAI and what are the potential cognitive consequences. Talk to be presented at the Annual SPARK Meeting at the 67th Annual Psychonomic Society Meeting in San Diego, CA.

Peña, T., DiMartino, S.**, Umanath, S. (2026, November). Older adults rely on Google less than younger adults: Age-based differences in the internet fixation effect. Talk accepted at the 67th Annual Psychonomic Society Meeting in San Diego, CA.
** *post-baccalaureate mentee*

Peña, T., DiMartino, S.,** Umanath, S. (2026, April). Internet fixation among older adults. Invited talk presented virtually at the Umanath Lab meeting (located at Claremont McKenna College).
** *post-baccalaureate mentee*

Peña, T., Pepe, N.W., Rajaram, S. (2025, November). How social is social memory?: Isolating the influences of social and nonsocial cues on recall. Talk presented at the 66th Annual Psychonomic Society Meeting in Denver, CO.

Peña, T. (2025, October). Investigating how AI augments cognition from creativity to future thinking. Invited talk presented at Stony Brook's BIAS-NRT Weekly Seminar.

Peña, T. (2025, October). Social influences on remembering and future thinking. Invited talk presented virtually New Mexico State's Weekly Speaker Series.

Soares, J. & **Peña, T.** (2025, June). Googling information may induce non-analytical thinking. Talk presented at the Society for Applied Research in Memory and Cognition Conference in Kildare, Ireland.

Peña, T. (2025, February). Social influences on remembering and future thinking. Invited talk presented virtually Mississippi State University's Weekly Speaker Series.

Peña, T. & Rajaram, S. (2024, November). Do emotional and social primers change the pessimism in collective future thinking?: Testing the robustness of the collective negativity bias. Talk presented at the 65th Annual Psychonomic Society Meeting in New York, NY.

Peña, T., & Rajaram, S. (2023, September). Social influences on collective future thinking: Testing the robustness of the collective negativity bias. Invited talk presented at Stony Brook University Psychology Department's Brown Bag.

Peña, T.*, Maswood, R.*, Chen, M., Rajaram, S. (2023, August). Memory in the digital age: Consumption of information from news versus social media sources. In E. Bilgin & Q. Wang (Co-Chairs), *Memory and Cognition in the Internet Era.* Symposium presented at the Society for Applied Research in Memory and Cognition Conference in Nagoya, Japan.

Thorpe, D., Mirhashem, R., **Peña, T.,** Smokoski, J., Bernard, K. (2023, March). Exposure to community violence and parenting behaviors: A meta-analysis. Symposium talk presented at the 2023 Society for Research in Child Development Biennial Meeting in Salt Lake City, Utah.

Richmond, L.L., **Peña, T.,** Burnett, L.K., Rajaram, S. (2022, November). Memories and future thinking under COVID-19: Durability of age-related patterns up to 10-year future projections. Symposium talk presented at the 63rd Annual Psychonomic Society Meeting in Boston, MA.

Peña, T., Polack, C.W., Miller, R.R. (2018, March). Two-phase outcome interference by neutral and affective outcomes. Talk session presented at the Annual Eastern Psychological Association Conference, Philadelphia, PA.

CONFERENCE POSTER PRESENTATIONS

Peña, T., Chen, M., Rajaram, S. (2026, November). People remember tweets better than news headlines even in the absence of source information. Poster accepted at the 67th Annual Psychonomic Society Meeting in San Diego, CA.

Peña, T. & Rajaram, S. (2025, November). Persistent pessimism for the collective future: Testing the influence of emotional primers on collective future thinking. Poster presented at the 66th Annual Psychonomic Society Meeting in Denver, CO.

Melone, M., Mock, K.O., **Peña, T.**, Bernard, K. (2025, September). Associations between childhood maltreatment and rumination characteristics in adulthood: A systematic review and meta-analysis. Poster presented at the 2025 Annual Meeting of the Society for Research in Psychopathology in Los Angeles, CA.

Peters, D.**, Anthonioz, A., Bermejo, R.M., **Peña, T.**, London, B. (2025, May). A new lens on impostorism: Identity, self-efficacy, and the role of enrichment programs on feelings of impostorism among STEM undergraduates. Poster presented at the Undergraduate Research and Creative Activities (URECA) Meeting in Stony Brook, NY.
** *undergraduate student mentee*

Peters, D.**, Anthonioz, A., Bermejo, R.M., **Peña, T.**, London, B. (2025, April). A new lens on impostorism: Identity, self-efficacy, and the role of enrichment programs on feelings of impostorism among STEM undergraduates. Poster presented at the SUNY Undergraduate Research Conference (SURC) Meeting in Binghamton, NY.
** *undergraduate student mentee*

Soares, J. & **Peña, T.** (2024, November). Digital fixation and cognitive style: Googling information may induce less analytical thinking. Poster presented at the 65th Annual Psychonomic Society Meeting in New York, NY.

Peña, T., London, B., Rajaram, S. (2024, November). Negativity bias in collective mental time travel: Evidence from a racially diverse U.S. sample. Poster presented at the 65th Annual Psychonomic Society Meeting in New York, NY.

Peña, T., Burchett, C.O., Anthonioz, A., Cabrera, E., McCombs, N., Brick, B., Scott, C., London, B. (2024, May). Sense of Belonging in STEM: Lessons from Stony Brook′s Simons STEM Scholars Program. Poster presented at the 36th Annual National Conference on Race & Ethnicity in Higher Education in Honolulu, HI.

Anthonioz, A., Burchett, C.O., **Peña, T.,** Cabrera, E., McCombs, N., Brick, B., Scott, C., London, B. (2024, February). Retention of underrepresented students in STEM: Lessons from Stony Brook′s Simons STEM Scholars Program. Poster presented at the Society for Personality and Social Psychology Meeting in San Diego, CA.

Peña, T., Chen, M., Rajaram, S. (2023, November). Self-paced encoding and emojis: Online browsing styles and memory for tweets and news headlines. Poster presented at the 64th Annual Psychonomic Society Meeting in San Francisco, CA.

Peña, T., Chen, M., Rajaram, S. (2023, August). Self-paced encoding and emojis: Online browsing styles and memory for tweets and news headlines. Poster presented at the Society for Applied Research in Memory and Cognition XIV Conference, Nagoya, Japan.

Greeley, G.D., **Peña, T.,** Pepe, N.W., Choi, H.-Y., Rajaram, S. (2023, August). Collective memory for U.S. cities across a decade: A striking stability across time and experimental contexts. Poster presented at the Society for Applied Research in Memory and Cognition XIV Conference, Nagoya, Japan.

Peña, T.*, Maswood, R.*, Chen, M., Rajaram, S. (2023, May). Memory for tweets versus headlines: Does message consistency matter? Poster presented at the 2023 APS Annual Convention in Washington D.C.

Peña, T.*, Maswood, R.*, Chen, M., Rajaram, S. (2022, November). Memory for tweets versus headlines: Does message consistency matter? Poster presented to the 63rd Annual Psychonomic Society Meeting in Boston, MA.

Peña, T.*, Burnett, L.K.*, Rajaram, S., Richmond, L.L. (2022, April). Personal and national mental time travel across the adult lifespan during COVID-19. Poster presented at the Biennial Cognitive Aging Conference Meeting.

Peña, T., Pepe, N.W., Rajaram, S. (2021, November). How social is social memory?: Isolating the disruptive influences of social versus nonsocial cues on recall. Poster presented at the 62nd Annual Psychonomic Society Meeting.

Burnett, L.K.*, **Peña, T.*,** Rajaram, S., Richmond, L.L. (2021, November). Negativity bias for memories of national past and positivity for national future in 2020: Novel patterns of valence in middle-aged and older adults for recent periods. Poster presented at the 62nd Annual Psychonomic Society Meeting.

Greeley, G.D.*, **Peña, T.*,** Rajaram, S. (2021, November). Collaborative remembering in a fully online, chat-based environment: Implications for remote study and work. Poster presented at the 62nd Annual Psychonomic Society Meeting.

Greeley, G.D., **Peña, T.,** Pepe, N.W., Choi, H.-Y., Rajaram, S. (2021, November). Collective memory for U.S. cities: A striking stability in recall through a period of upheaval. Poster presented at the 62nd Annual Psychonomic Society Meeting.

Pepe, N.W., Moyer, A., **Peña, T.,** Rajaram, S. (2020, November). Deceitful hints: A meta-analytic review of the part-set cueing deficit in recall. Poster presented at the 61st Annual Psychonomic Society Meeting.

Jozefowiez, J., Polack, C.W., Berruti, A., **Peña, T.,** Miller, R.R. (2019, January). Extinction and counterconditioning with and without biologically relevant outcomes. Talk session presented at the Annual East England Associative Learning Society Conference, York, UK.

Casado, C., **Peña, T.,** Polack, C.W., Li, P., Molet, M., Miller, R.R. (2018, March). Mere exposure effect, but no post-peak decrement with added exposures. Poster session presented at the Annual Eastern Psychological Association Conference, Philadelphia, PA.

Peña, T., Berruti, A., Li, A., Polack, C.W., Villemin, Y., Jozefowiez, J., Miller, R.R. (2018, April). Counterconditioning as a crucible for associative interference. Poster session presented at the Annual Binghamton Research Days, Binghamton, NY.

Peña, T., Berruti, A., Li, A., Polack, C.W., Villemin, Y., Jozefowiez, J., Miller, R.R. (2018, April). Counterconditioning as a crucible for associative interference. Poster session presented at the Annual Psi Chi Binghamton Research Days, Binghamton, NY.

Peña, T., O′Connor, C., Sharif, M., Boyle, T. (2017, April). Gender differences among sexual regret in college students. Poster session presented at the Annual Binghamton Research Days, Binghamton, NY.

Peña, T., O′Connor, C., Sharif, M., Boyle, T. (2017, April). Gender differences among sexual regret in college students. Poster session presented at the Annual Psi Chi Binghamton Research Day, Binghamton, NY.

Portnoy, R.M., **Peña, T.**, Polack, C.W., Miller, R.R. (2017, April). Two-phase outcome interference by neutral and affective outcomes. Poster session presented at the Annual Binghamton Research Days, Binghamton, NY.

Portnoy, R.M., **Peña, T.**, Polack, C.W., Miller, R.R. (2017, April). Two-phase outcome interference by neutral and affective outcomes. Poster session presented at the Annual Psi Chi Binghamton Research Day, Binghamton, NY.

Chiu, I., Chappidi, M., **Peña, T.** (2016, April). Male interpersonal violence: A review. Poster session presented at the Annual Psi Chi Binghamton Research Day, Binghamton, NY.

Chiu, I., Chappidi, M., **Peña, T.** (2016, April). Male interpersonal violence: A review. Poster session presented at the Annual Binghamton Research Days. Binghamton, NY.

TEACHING EXPERIENCES

Instructor of Record

PSY 380: Human Cognition Research Lab, Stony Brook University — Fall 2026, Fall 2025, Summer 2022
PSY 620: Human Diversity Issues in Psychology (Graduate-level), Stony Brook University — Spring 2026
PSY 101: Introduction to Psychology, Suffolk Community College — Spring 2026, Fall 2025

Recitation Instructor

PSY 310: Research and Writing in Psychology Stony Brook University — Spring 2020
PSY 501/508: Graduate ANOVA and Experimental Design, Stony Brook University — Fall 2019
PSY 201: Introduction to Statistical Methods, Stony Brook University — Spring 2019

Teaching Assistant

PSY 103: Introduction to Psychology, Stony Brook University — Fall 2018
